

The Friends of FLAC Programme

*FLAC is a human rights organisation,
which exists to promote equal access to justice for all.
Our vision is of a society where everyone can access fair and
accountable mechanisms to vindicate their rights.*

Just €21 a month to make a real difference

The Friends of FLAC programme helps FLAC to continue to campaign for equal access to justice.

All it takes is a monthly standing order of €21, which we can help you set up.

By joining the Friends of FLAC programme, you receive the following benefits:

- invitation to FLAC's Annual Justice Lecture
- updates via FLAC e-mail bulletin and FLAC Annual Report
- a FLAC pin
- invitation to FLAC events

(If you are an Irish taxpayer and you donate €21 per month or €250 a year or more, we can increase the value of your donation by almost 45%, through Tax Efficient Giving.)

Every Month counts

We will increase our capacity to:

- Provide legal information and advice through our telephone information and referral line.
- Develop our online resources to allow people to access reliable information in family and employment law.
- Provide legal advice clinics in accessible and innovative ways.
- Provide legal assistance on housing, discrimination, and welfare issues through our independent law centre to people living in poverty and experiencing disadvantage.
- Help social justice NGOs get vital legal assistance through our public interest law project PILA.

If you like what we do, please join the Friends of FLAC Programme
